CONVERTIBLE COIN/CURRENCY DOOR SYSTEM

CONVERTIBLE COIN/CURRENCY DOOR SYSTEM

The First Flexible Coin Door System that changes with your needs!

The Convertible Coin/Currency Door System from **Happ Controls** is designed with *Flexibility* in mind. The upper door of this new innovative coin door is designed to be easily removed and converted to various door combinations to maximize your potential earnings. Whether it be a 2-Coin Entry, 1-Coin Entry with or without Validator; conversion is as easy as removing 4 screws and installing the

upper door of your choice. For easy identification purposes, each Convertible Coin/Currency Door System is identified with a yellow label just under the lock inside the upper door. Be certain to exercise your *Flexibility* on your next game simply ask for it by name, **Convertible Coin/Currency Door System** exclusively from **Happ Controls**.
