MEI CASHFLOW SC SERIES BILL VALIDATOR

The New Standard For Gaming Note Acceptors

Bill Acceptor/Handling

- Superior acceptance and security
- Fast, reliable bill handling
- Lower cost of ownership – less downtime and maintenance
- Traffic light LEDs provide front-line at machine diagnostics
- USB port on the front, allows convenient interface for support tools
- Common acceptor module, regardless of the machine manufacturer
- Lensed receivers that scan 300% more bill surface with six wavelengths of light
- Highest ticket acceptance rates through custom bar-code sensor output
- 14 pending patents cover 30 unique design features in the unit

Cash Box

- Industry's first dispute resolution window (to view last bill stacked)
- Curved surface to protect internal mechanisms, drive gears and secure cash
- Durable, welded plastic design
- One-hand, ergonomic handle for ease of use
- No latches or levers to operate
- Acceptance Rate
- 98% or greater

Bill/Barcode Coupon Insertion

- Bills – up to 50 notes, four ways, face up & down
- Barcode Coupons – two way face up

Transaction Speed

- Approximately 3 seconds to stack

Escrow

- One bill or one barcode coupon

Interfaces

- Multiple serial protocols

SC Series Cash- box Capacity

- Greater than 500 notes

Power Source & Consumption

- 12V – 28VDC
- Standby: 10 Watts
- Accepting: 30 Watts
- Stacking: 70 Watts

Shipping Weight

- SC Series 4kg (9 lbs.)
- SC Cash- box 1.5kg (3 lbs.)
