DisplayPro

Brand. Inform. Advertise.

Easily create and schedule visual campaigns using the DisplayPro. It is perfect for retail, hospitality, financial institutions, quick service restaurants, auto-rental facilities, family entertainment centers, casinos, bars, lounges and more. Inform your customers of your latest products, use it for third party advertising, and announce events and promotions to run on specific times and days.

Each unit comes standard with USB media playback allowing you to create content and use a USB media thumb-drive to load content to the LCD scheduled using scheduling software setup on a PC.

With the optional Content Management System, combine digital images, graphics, and videos to be slated at different time periods and frequencies, set by the user with a simple scheduling program. Remote access for each campaign available on PC, Tablet or Mobile devices to allow updating campaigns on the fly.
