LED Lighting

LED Lighting Tubes for Vending Machines

- Replaces fluorescent tubes in amusement games and vending machines
- Fits in standard light fixtures and replaces traditional fluorescent lamps
- Simple installation - just remove the starter and place in original fixture (remove ballast for an additional 2W energy savings)
- Standard dual pronged or single prong ends with unique rotating end caps allow for any angle fixture - vending machine or amusement game
- Super bright LEDs
- Extremely low power usage - utilizes 50% less power than conventional fluorescent tubes
- Solid construction - aluminum backed housing with UV-Stabilized polycarbonate lens
- Instant on - no warm-up time and no flickering
- Long life - 40,000 hours
