Max EQ Five Band External Equalizer

- Used with any MJS or JCB-equipped TouchTunes jukebox
- Offers five bands of EQ ranging from 70Hz to 12kHz, with boost/cut of +/- 10dB per band
- Have complete control of your sound and make dramatic adjustments to the sound output by eliminating unwanted frequencies and enhancing others from the source signal
- Designed as a versatile solution for optimizing sound quality whether used with TouchTunes sound packages or third-party amplifiers
- Can be used on any of your jukebox's audio output zones, and can be mounted internally in your TouchTunes jukeboxes
