

# Global Contract Manufacturing Services

Low Volume High Mix Specialist

- Global Quality Standards
- Local Support
- Value Leader

Facility - Zhuhai, China

# Global Quality Standards, Local Support, Value Leader

## SERVICES

Specializing in the following services for your company:

-  Design & Prototyping
-  Injection Mold Tooling
-  Injection Molding
-  PCB Board Assemblies
-  Assembly

## PRODUCTS

- Coin and Currency Handling
- Display Solutions
- Control Devices
- Toppers
- Reel Mechanisms
- Printers
- Spare Parts

## MARKETS

- Casino Gaming
- Amusement
- Transportation
- Vending
- Industrial

## DESIGN & PROTOTYPING

### Equipment

- CAD Workstations
- Pro/Engineer
- SolidWorks
- AutoCAD
- FDM Prototyping Machine (3D Printing Technology)

### Capabilities

- Quick turn-around
- In-house prototyping

### Resources

- 12 Engineers
- Electrical Engineering
- Mechanical Engineering
- Software Engineering

## KEY STATISTICS

### Global

- Revenue \$120 million
- Locations 12
- Countries 6
- Customers Over 10,000
- Countries Served 80

### Factory

- Location Zhuhai, China
- Status Free Trade Zone
- Facility 130,000 sq. ft. (12,077 sq. m.)
- Employees 275
- Certification ISO 9001
- Established 1993

## INJECTION MOLD TOOLING

### Equipment

- 5 – CNC milling
- 3 – Lathes
- 2 – Grinding
- 1 – Wire EDM

### Capabilities

- Design to 1st Shot — 10 days
- 15 tools per month

### Resources

- 20 Dedicated Staff
- +10 Flex Staff

## CUSTOMERS

## INJECTION MOLDING

### Equipment

- 28 machines

### Capabilities

- 21 – 470 tons
- 20 million pieces/year
- 24 hour operation
- Insert & over-molding

### Resources

- 45 Dedicated Staff
- +25 Flex Staff

## PCB BOARD PRODUCTION

### Equipment

- SMT High Speed Moulder
- SMT Inspection
- Wave Solder

### Capabilities

- Surface mount
- Thru-hole
- 50,000 boards/month

### Resources

- 25 Dedicated Staff
- +15 Flex Staff

## ASSEMBLY

### Equipment

- 6 Conveyor lines
- 4 Work station cells

### Resources

- 100 Dedicated Staff
- +100 Flex Staff

### Capabilities

- 50 assemblies per hour per line/cell

## GLOBAL QUALITY STANDARDS

- ISO 9001
- 99% quality passing rate
- 98% on-time delivery
- Trained quality control staff
  - Incoming: 9 Full Time Staff
  - Process: 7 Full Time Staff
  - Finished: 8 Full Time Staff
