

# SHARP™ Edge Lit LED TFT LCD

Sharp's multi-purpose, user-friendly PN-Y475 LED display delivers your message with the eye-catching impact of full-HD resolution — Sized to match a wide variety of installation locations, this 47-inch class (46-15/16" diagonal) professional monitor performs equally well in public areas, offices, and retail spaces, whether in a landscape or a portrait orientation. A built-in USB media player supports playback of both still images and videos and allows the PN-Y475 to be used as a standalone signage solution even in the absence of a PC or network connection.
